OUR CUSTOM FURNITURE SOLUTIONS PROCESS

We have a carefully crafted furniture solutions process that will provide you with essential support throughout your commercial furniture project – from concept to furniture placement and beyond.

Consultation

We'll meet you at your location to understand your furniture project and show how we'll partner with you to provide quality custom furniture to achieve your goals.

Cost Indication

We'll provide you with a cost estimate and discuss variables that can impact cost to ensure the proposal aligns with your budget and expectations.

The Look

We now finalize your project's design elements: fabric, timber, polish, bespoke features. We can source a wide range of materials to meet your requirements.

Manufacturing

Our skilled team of furniture makers start the process to bring your project to life. Our 10-year structural warranty ensures peace of mind.

Delivery & Installation

We'll organize delivery and installation of your furniture. Our hands-on team will coordinate the assembly and placement of each piece, cleaning up as we go.

Follow-Up

We stand by the quality of our furniture. In the event of a repair, we handle all repair work ourselves. We also maintain communication with you to ensure your ongoing satisfaction.

MANUFACTURING

Our manufacturing process is built on a foundation of craftsmanship, attention to detail, and quality. We take great pride in our Brisbane-based facility, where our skilled team of furniture makers bring our furniture designs to life. From the initial concept to

the final product, each stage of the manufacturing process is executed with precision and care. We source the finest materials, ensuring durability and longevity in our furniture pieces. We adhere to rigorous quality control measures throughout

the process to ensure that every piece is built to withstand the demands of commercial use. With FHG, you can trust in our commitment to delivering exceptional, Australian-made furniture that exceeds your expectations.

LIVING ROOM

We specialise in designing and manufacturing furniture specifically tailored for living rooms in commercial spaces. Our skilled team collaborates with clients to ensure that their unique vision and brand identity are incorporated into the design process. Whether it's a modern, sleek, or classic style, our custom living room furniture solutions are crafted using high-quality materials, guaranteeing both comfort and durability. From fit-for-purpose seating and elegant coffee tables to versatile storage units, our furniture transforms living rooms in commercial settings into inviting spaces that leave a lasting impression on clients and guests.

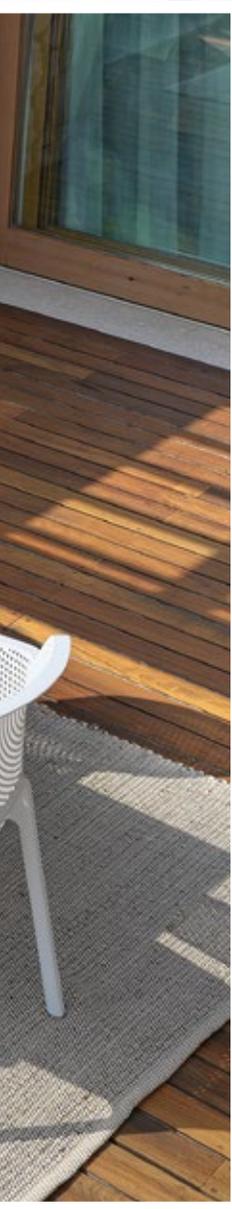

DINING ROOM

We understand that dining areas in commercial spaces play a crucial role in creating memorable experiences and setting the right ambiance for patrons. From elegant dining tables and comfortable, fit-for-purpose chairs to buffet units, our custom-designed dining room furniture is crafted using top-quality materials, guaranteeing durability and timeless appeal.

OUTDOOR

At FHG, we pride ourselves on our expertise in sourcing and supplying outdoor furniture specifically designed for commercial spaces. We understand the unique challenges that Australian outdoor environments present, and we select materials that are durable, weather-resistant, and able to withstand heavy use. Our extensive network of trusted suppliers ensures that we have access to a wide range of high-quality outdoor furniture options suitable for various commercial settings. Whether it's outdoor seating, dining sets, tables or lounges, we prioritize both functionality and style, creating inviting and comfortable outdoor spaces.

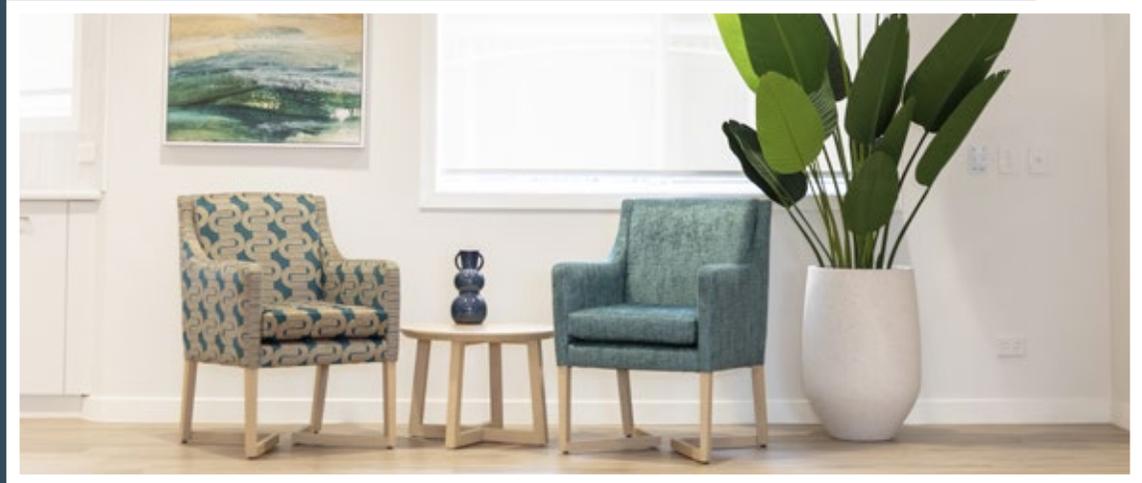

BEDROOM

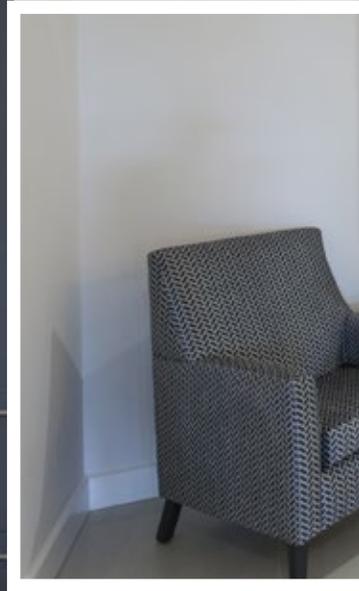

We specialize in designing and manufacturing exceptional furniture for bedrooms. Our focus is on creating a harmonious blend of style, functionality, and comfort to transform bedrooms into personal havens. Meticulous attention to detail guides our design process, as we collaborate closely with our clients to understand their unique vision and preferences. From luxurious bedroom chairs to elegant bedside tables, our custom-designed bedroom furniture reflects our commitment to using high-quality materials and craftsmanship. Each piece is carefully crafted to ensure durability and to provide an inviting and relaxing atmosphere.

COMMUNAL SPACES

We craft purpose-built furniture designed for community rooms. Our commitment to creating a warm and inviting atmosphere aligns with the needs of these spaces, where residents socialize, engage in activities, and build connections. Our pieces are crafted with functionality and aesthetics in mind. These spaces foster a sense of belonging and shared experiences among residents. Thus, we design each piece to maximize comfort, durability, and style. From cosy armchairs that encourage relaxation to tables that facilitate various activities, our furniture embodies the essence of comfort and community, contributing to an enriching and vibrant retirement lifestyle.

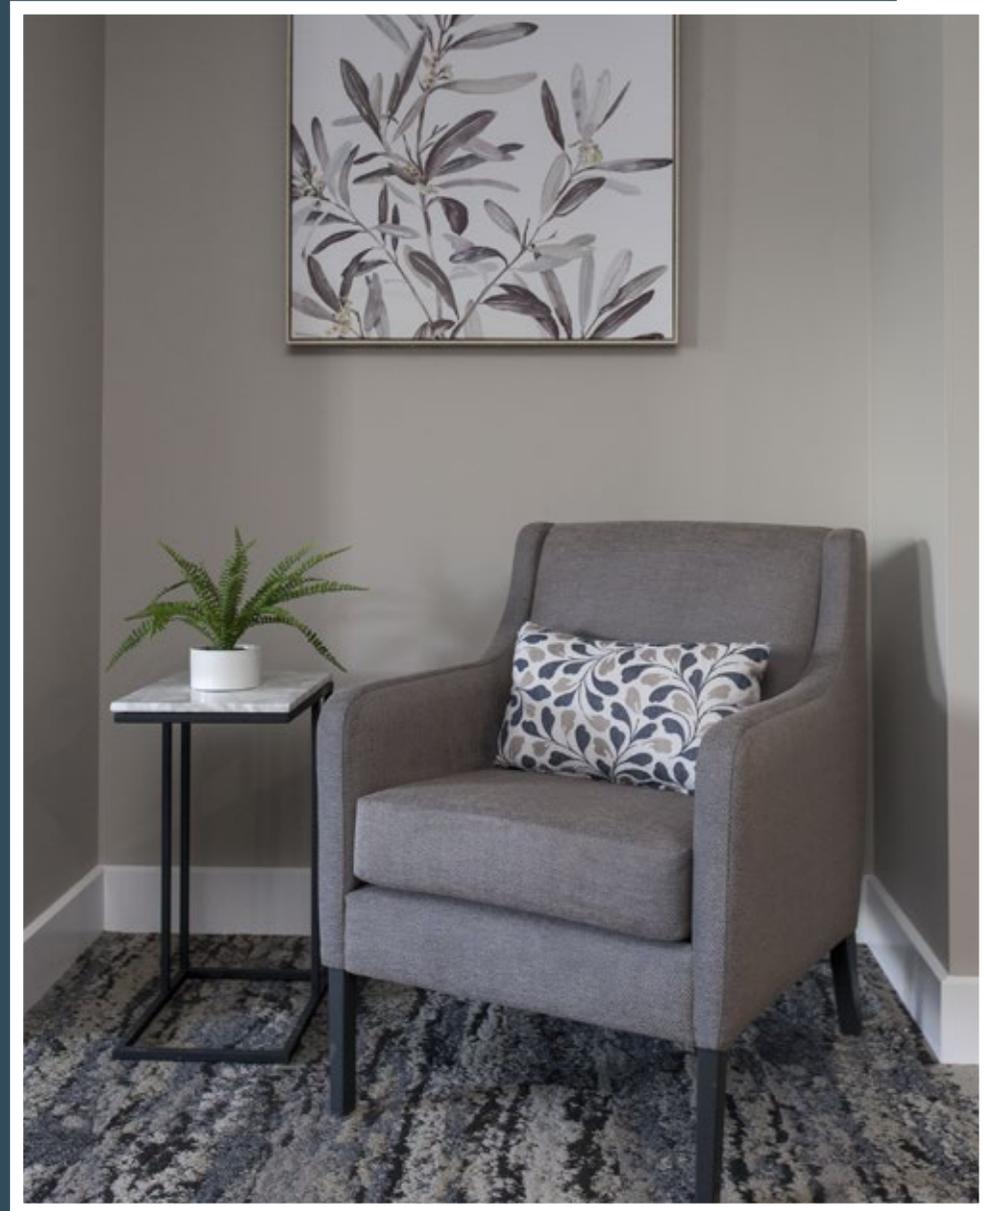

FAMILY & VISITOR SPACES

Crafted with care, our furniture for family and visitor spaces in aged care settings is purpose-built for meaningful interactions. Designed to promote comfort and ease, each piece contributes to a welcoming environment where residents and their loved ones can connect. From cosy seating to versatile options, our furniture enhances the sense of belonging and togetherness that these spaces foster.

LIBRARY

We craft furniture tailored for libraries. Our approach is to create an enriching and comfortable reading environment. Each piece is thoughtfully designed to prioritize functionality and ergonomic comfort. From cosy armchairs that invite people to lose themselves in the pages of a book to versatile bookshelves that organize literary collections, our furniture embodies the essence of relaxation and intellectual engagement. We understand the significance of these spaces in promoting cognitive stimulation and personal enjoyment. As such, our furniture contributes to fostering a sense of curiosity and well-being among people, enhancing their overall quality of life.

OFFICE

We prioritize sourcing top-quality office furniture. Our partnerships with reputable manufacturers ensure durable, functional, and visually appealing pieces. By selecting materials for longevity and sustainability, and conducting rigorous quality checks, we guarantee furniture that stands up to the demands of the modern office while maintaining an impressive aesthetic.
